

Bombardier Challenger 3500

Midsize private jet.

With a newly redesigned and spacious cabin, the Challenger 3500 transforms every journey into a premium travel experience. Accommodating up to 8 passengers in ergonomic seats, it ensures everyone has ample space to relax, work, or simply enjoy the flight.

If rest is on the agenda, the cabin's versatile seating easily converts into comfortable sleeping spaces—ideal for catching a quick nap or a full night's sleep while you cruise across continents. Whether flying for business or leisure, you'll land feeling refreshed and prepared.

The Challenger 3500 also climbs swiftly to high cruising altitudes, allowing you to soar above most weather and turbulence for a smooth, stress-free ride.

In short, the Bombardier Challenger 3500 is more than just a business jet—it's a sophisticated blend of comfort, performance, and efficiency. For discerning travelers who value convenience and luxury, it consistently delivers a top-tier flying experience.
